

CLASSIC
650 TWIN

The Classic 650 Twin. Twice the character.
Twice the craftsmanship. All the unmistakable
hallmarks of a Classic, now powered by the
acclaimed 650 Twin.

MAKE IT A DOUBLE

Every Royal Enfield Classic is an expression of the brand's DNA in an elegant, undiluted form. From the beloved Classic 500 to the brand new 2024 Classic 350, these thoroughbred machines embody the spirit of Pure Motorcycling. This distinctive Classic flavour is now served in a double measure with the all-new Classic 650 Twin.

While staying true to the genetic traits of the Classic family, this new stablemate offers riders a powerful blend of old-school aesthetics and effortless power delivery. Its stately, streamlined form is propelled by Royal Enfield's renowned 650 engine, resulting in a ride that is both swift and graceful. Imposing to look at, yet friendly to ride—the Classic 650 Twin raises the bar, but stays pure to the core.

2X CHARM

The Classic 650 Twin is a magnum opus. A supersized version of the iconic silhouette of Classics from the past that has mesmerised hundreds of thousands of riders around the world, now with an extended wheelbase that accentuates each of its crafted body panels. Its liveries bring back the much-loved colour schemes of the Classic 500, along with new schemes offering a fresh take on its legacy.

2X CHARACTER

There is nothing that commands the road like a Classic 650 Twin. Its signature stance with upright handlebars, saddle-style seat and perfectly placed mid-position footpegs makes for a riding experience par none. Imagine all the feels of a Classic, served up in a double dose that makes Pure Motorcycling taste even more intense.

2X CAPABLE

The much-loved Royal Enfield 648cc parallel twin engine makes its debut on the Classic 650 Twin in a fresh state of tune that has been calibrated for a graceful, unhurried attitude, but with unmatched performance on the tap for swift measure.

REMOVABLE PILLION SEAT AND SUBFRAME

The Classic 650 Twin adapts to every journey and every plan thanks to its flexible design, which makes room for a removable pillion seat plus subframe.

LED CASQUETTE LAMP AND TIGER LIGHTS

The signature casquette headlamp returns with an LED upgrade, offering powerful illumination alongside the Classic's iconic "tiger eyes".

POLISHED TWIN EXHAUST

The Classic enters its 650 era with two peashooter exhausts in gleaming chrome that lend it an all-new look and an all-new sound.

SUSPENSION BY SHOWA

Ride confident and steady, no matter where you're headed, with the Classic 650 Twin's tried-and-true front telescopic suspension and twin-tube hydraulic rear suspension by Showa.

RETRO-ANALOGUE DASHBOARD

Get all the satisfaction of a retro speedometer with the modern ease of our Tripper Navigation System and digital LCD display that lets you track your gear position, distance covered, fuel level and more.

UPDATED CONTROLS

The polished aesthetic of the Classic 650 Twin extends well into its details, including a premium, uncluttered set of controls that features gleaming aluminium switchgears, retro-style rotary switch cubes and a perfectly-placed USB charging port.
